VACANT LAND/LOT SELLER ADVISORY

Document updated: October 2021

WHEN IN DOUBT - DISCLOSE!

Arizona law <u>requires</u> the seller to disclose material (important) facts about the property, even if you are not asked by the buyer or a real estate agent. These disclosure obligations remain even if you and the buyer agree that no Seller's Property Disclosure Statement ("SPDS") will be provided.

The SPDS is designed to assist you, the seller, in making these legally required disclosures and to avoid inadvertent nondisclosures of material facts. To satisfy your disclosure obligations and protect yourself against alleged nondisclosure, you should complete the SPDS by answering all questions as truthfully and as thoroughly as possible. Attach copies of any available invoices, warranties, inspection reports, and leases, to ensure that you are disclosing accurate information. Use the blank lines to explain your answers. If you do not have the personal knowledge to answer a question, it is important not to guess — use the blank lines to explain the situation.

If the buyer asks you about an aspect of the property, you have a duty to disclose the information, even if you do not consider the information material.* You also have a legal duty to disclose facts when disclosure is necessary to prevent a previous statement from being misleading or misrepresented: for example, if something changes.

If you do not make the legally required disclosures, you may be subject to civil liability. Under certain circumstances, nondisclosure of a fact is the same as saying that the fact does not exist. Therefore, nondisclosure may be given the same legal effect as fraud.

If you are using the Arizona Association of REALTORS® ("AAR") Vacant Land/Lot Purchase Contract, the seller is required to deliver "a completed AAR Vacant Land/Lot SPDS form to the Buyer within five (5) days after Contract acceptance." If the Seller does not provide the SPDS as the Contract requires, the Seller is potentially in breach of the Contract, thereby enabling the Buyer to cancel the transaction and receive the earnest money deposit.

* By law, sellers are not obligated to disclose that the property is or has been: (1) a site of a natural death, suicide, homicide, or any other crime classified as a felony; (2) owned or occupied by a person exposed to HIV, or diagnosed as having AIDS or any other disease not known to be transmitted through common occupancy of real estate; or (3) located in the vicinity of a sex offender. However, the law does not protect a seller who makes an intentional misrepresentation. For example, if you are asked whether there has been a death on the property and you know that there was such a death, you should not answer "no" or "I don't know." Instead you should either answer truthfully or respond that you are not legally required to answer the question.

VACANT LAND/LOT SELLER'S PROPERTY DISCLOSURE STATEMENT (SPDS) (To be completed by Seller)

Document updated: October 2021

The pre-printed portion of this form has been drafted by the Arizona Association of REALTORS®. Any change in the pre-printed language of this form must be made in a prominent manner. No representations are made as to the legal validity, adequacy and/or effects of any provision, including tax consequences thereof. If you desire legal, tax or other professional advice, please consult your attorney, tax advisor or professional consultant.

MESSAGE TO THE SELLER:

Sellers are obligated by law to disclose all known material (important) facts about the Property to the Buyer. The SPDS is designed to assist you in making these disclosures. If you know something important about the Property that is not addressed on the SPDS, add that information to the form. Prospective Buyers may rely on the information you provide.

INSTRUCTIONS: (1) Complete this form yourself. (2) Answer all questions truthfully and as fully as possible. (3) Attach all available supporting documentation. (4) Use explanation lines as necessary. (5) If you do not have the personal knowledge to answer a question, use the blank lines to explain. By signing below you acknowledge that the failure to disclose known material information about the Property may result in liability.

MESSAGE TO THE BUYER:

Although Sellers are obligated to disclose all known material (important) facts about the Property, there are likely facts about the Property that the Sellers do not know. Therefore, it is important that you take an active role in obtaining information about the Property.

INSTRUCTIONS: (1) Review this form and any attachments carefully. (2) Verify all important information. (3) Ask about any incomplete or inadequate responses. (4) Inquire about any concerns not addressed on the SPDS. (5) Review all other applicable documents, such as CC&R's, association bylaws, rules, and the title report or commitment. (6) Obtain professional inspections of the Property. (7) Investigate the surrounding area.

The National Flood Insurance Program provides for the availability of flood insurance and establishes flood insurance policy premiums based on the risk of flooding in the area where properties are located. Changes to federal law (The Biggert-Waters Flood Insurance Reform Act of 2012 and the Homeowner Flood Insurance Affordability Act of 2014, in particular) will result in changes to flood insurance premiums that are likely to be higher, and in the future may be substantially higher, than premiums paid for flood insurance prior to or at the time of sale of the property. As a result, purchasers of property should not rely on the premiums paid for flood insurance on this property previously as an indication of the premiums that will apply after completion of the purchase. In considering purchase of this property you should consult with one or more carriers of flood insurance for a better understanding of flood insurance coverage, current and anticipated future flood insurance premiums, whether the prior owner's policy may be assumed by a subsequent purchaser of the property, and other matters related to the purchase of flood insurance for the property. For more information about flood insurance as it relates to this property, you may also wish to contact the Federal Emergency Management Agency (FEMA) at: https://www.fema.gov/national-flood-insurance-program .
