

Section 12

General Notes

1. The bearings shown on this survey are based on the West line of the Southwest quarter of the Northeast quarter of the Northwest quarter of Section 13 as shown on a previous survey of the subject parcel by Carlson Land Surveyors, Job #124-03 which is not of record.
2. The purpose of this survey is to divide the subject parcel into four parcels and to create a wellsite easement & an ingress, egress & utility easement that provides access to the wellsite and parcel "D".
3. The recovered property corner monuments were accepted as they are shown on this survey and the new property division corners were set in accordance with them.
4. The Surveyor has not made an independent search for easements of record, quit claim deeds or for any other title ownership evidence that a current title report may disclose.
